ADDENDUM NO. 02 / 2022

Notice-Cum-Addendum

NOTICE IS HEREBY GIVEN for following change to the Scheme Information Document and Key Information Memorandum Quantum Multi Asset Fund of Funds.

Change in Product Labeling - Risk-o-meter - of Quantum Multi Asset Fund of Funds.

Investors / Unitholders are requested to note that in accordance with SEBI circular No. SEBI/HO/IMD/DF3/CIR/P/2020/197, dated October 05, 2020, risk-o-meter of Quantum Multi Asset Fund of Funds has been revised based on the scheme's portfolio as on December 31, 2021 as follows:

Scheme Name	Existing Risk - o - Meter Level	Risk-o-Meter Level of the scheme based on the scheme portfolio as on December 31, 2021	Risk - o - Meter
Quantum Multi Asset Fund of funds	Moderate	Moderately High	

The reason for change in the Risk-o-Meter is that, an increase in allocation to the equity segment led to the improvement in the aggregate risk profile as the equity exposure carries relatively high risk weightage as compared to Gold and Debt. This led to an increase in the Quantum Multi Asset Fund of funds risk score from Moderate to Moderately High.

This addendum forms an integral part of the Scheme Information Document (SID) /Key Information Memorandum (KIM) of Quantum Multi Asset Fund of Funds as amended from time to time.

All other terms and conditions as mentioned in the SID & KIM of the Quantum Multi Asset Fund of Funds shall remain unchanged.

**For Quantum Asset Management Company Private Limited
(Investment Manager – Quantum Mutual Fund)**
